Fittings and hardware in black

THE ON-TREND ACCENT

On-trend colour? Black!

Minimalist, elegant, modern. Stylish black has long been a firm favourite in the world of fashion – and now it has also taken architecture by storm: the on-trend colour turns fittings and hardware into eye-catching design accents. It's as bold a statement as you can make.

Our black beauties – available in the standard range

Powder-coated handles

Powder-coated hinge sides

Cover caps made of
uPVC

Black fittings and hardware are easy to clean and dirt-resistant.
